Camping Policy

RATIONALE
The school's camping program enables students to further their learning and social skills development in a non-school setting. Camps may have a cultural, environmental or outdoor emphasis and are an important aspect of the educational programs offered at our school.

AIMS
- To provide all children with the opportunity to participate in a sequential camping program.
- To provide shared class experiences and a sense of group cohesiveness.
- To reinforce and extend classroom learnings.
- To provide a program that delivers skills and knowledge that may lead to a lifelong involvement in worthwhile leisure pursuits.
- To provide a program that promotes self-esteem, resourcefulness, independence, leadership, judgement, cooperation and tolerance.

IMPLEMENTATION
- A camp is defined as any activity involving at least one night’s accommodation.
- The program will be developed sequentially throughout the school.
- The Principal in consultation with the School Advisory Committee will ensure that all school camps are maintained at a reasonable and affordable cost, and comply with all C.E.O requirements.
- The December edition of the school newsletter will provide parents with approximate dates and costs associated with the following year’s camps.
- All camps will be budgeted for at the beginning of the year with detailed and accurate costing presented to the Principal. Parents will be notified of the exact costs and other relevant details of individual camps as soon as practicable.
- Students will not be excluded from camps simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend camp, will be required to discuss their individual situation with the Principal. Decisions relating to alternative payment arrangements will be made by the Principal on a case-by-case basis.
- All families will be given sufficient time to make payments for individual camps. Parents will be sent reminder notices a fortnight before the camp departure date reminding them of the need to finalise payment. Children whose payments have not been finalised at least two school days before the departure date will not be allowed to attend unless alternative payment arrangements have been organised with the Principal.
- Any family who has not met the required payment for a previous camp will be unable to participate in the camping program until this payment is finalised.
- Office staff will be responsible for managing and monitoring the payments made by parents and will provide classroom teachers with detailed records on a regular basis.
- The designated “Teacher in Charge” of each camp will ensure that all camps, bus arrangements and camp activities comply with Department of Education and Training and C.E.O guidelines.
- Only Camping Association of Victoria accredited camp sites will be used.
• All students will be required to provide written permission from their parents to attend the camp, as well as a completed “Confidential Medical Information” form.
• Classroom teachers will be given the first option to attend camps.
• The school will continue to provide the opportunity for teachers to update their first aid skills and will provide a Level 2 First Aid Teacher on each camp.
• The school will provide a mobile phone for all camps.
• A senior staff member will be in attendance at school whilst the children are returning from camp. The Teacher in Charge will communicate with this person in regards the anticipated return time.
• Parents may be invited to assist in the delivery of school camps when required and by the invitation of the Principal. When deciding which parents will attend, the Principal will take into account in consultation with the Camp Committee–
  o Any valuable skills the parents have to offer. e.g. bus licence, first aid etc
  o The need to include both male and female parents.
  o The special needs of particular students.
  o Parents selected to assist with the camps program will be required to undertake a police records check.
  o Parent volunteers may be required to pay the accommodation and meals cost of the camp.
• Parents will be notified if a child is in danger of losing their invitation to participate in a camping experience due to behaviour related to a safety concern at school. The decision to exclude a student will be made by the Principal, in consultation with the classroom teacher.
• Parents will be requested to collect their child from camp if their child exhibits behaviour that is considered unsafe. The Teacher in Charge, in consultation with the Principal, will make this decision. Costs incurred will be the responsibility of the parent.
• All camps require Catholic Education Office approval. This approval is sought at least four weeks prior to the departure date. Information presented to the CEO will include:
  o The educational aims and objectives of the camp.
  o The names of all adults attending and their expertise and experience.
  o Travel arrangements and costs.
  o Venue details and an itinerary of events.
  o Procedures followed to ensure the safety of the children.
  o Details on the number of students excluded from camp.
  o Alternative program for students not attending camp.
